Day 1

Canyon and Blue Hole

Starting at 9.00am, 10.00am or 11.00am you will be driven by Jeep for 15 minutes to the Canyon and spending two hours snorkeling. You will then be taken off-road for 15 minutes to the world famous Blue Hole where you will spend the rest of the day snorkeling or just take in the atmosphere over

lunch. The sheltered waters inside the blue hole are ideal for swimming and snorkelling, while the more adventurous can swim out to the reef wall to see the amazing marine life. The restaurants here offer opportunities for refreshment and relaxation. You can also venture up into the mountains for a fantastic view of the area, or along the shore to see the ancient fossilized reef exposed here. Return to Dahab at your leisure.
