Visit Giza Pyramids and Cairo City Tour

After having a delicious breakfast in your hotel, you will head out for the [Great Giza Pyramids](#) of Cheops, Chephren, and Mykerinus. The Valley Temple and the Great Sphinx are known to be one of the most famous historical sites of the world and are also on the itinerary for the day. This part of your tour will last until lunchtime, and at this point, you will be taken for lunch at a nearby restaurant. After lunch you will then make your way to the famous [Egyptian Museum](#), where you can view pharaonic artifacts that go back to more than 5,000 years, as well as the treasures of Tutankhamen that were recovered from his still-intact tomb at the turn of the 20th century. Then you will go to [Coptic Cairo](#) to see the Hanging Church and the [Ben Ezra Synagogue](#), and this will then be followed by an unforgettable visit to the Islamic quarter where you will enjoy a wonderful experience at the [Khan El Khalili Bazaar](#). Shop until you drop, or simply relax and soak up the authentic atmosphere. Finally, after a long and fascinating day, you will be escorted back to your hotel where you will once again be spending the night. Meals Included: Breakfast and Lunch.

Day 3

Flight to Aswan

You'll start your day by enjoying breakfast at the hotel, and then you will check out as your tour manager will be picking you up and you'll be heading to the airport so that you can board your flight to Aswan. As is always the case, we will have one of our tour managers there to meet you, and to escort you to the places where you will be boarding your Nile River Cruise from Aswan to Luxor. Our 10-Day Luxury Egypt and Jordan Tours are all about making sure you have an unforgettable experience, and this is something you will notice the moment you board your cruise liner. Enjoy a fantastic lunch shortly after boarding, and then we will be taking you to visit the High Dam of Aswan, the massive [Unfinished Obelisk](#), and the Ancient [Temple of Philae](#) which was relocated in its entirety to save it from disappearing under the water of Lake Nasser. After your tour, you will be taken back to the ship in time for dinner, and tonight you will be sleeping on the boat at Aswan. Meals Included: Breakfast, Lunch, and Dinner.

Day 4

Visit Kom Ombo and Edfu, Then Overnight at Esna

Savor breakfast as the Nile cruise glides towards Kom Ombo, relaxing in its cruise after breakfast before disembarking to visit Kom Ombo Temple-an iconic symmetrical temple purposely erected to appease two gods: Sobek, the crocodile god, and Haroeris, the falcon-headed god. This temple was made with twin entrances, halls, and sanctuaries so as not to offend. Back on board now, for a nice lunch and sail on to Edfu, the largest ancient temple in Egypt. Edfu Temple is the largest and still the best preserved of its kind in Egypt, having been buried beneath the sands for some two thousand years. From the splendid temple, we come back to the cruise liner and spend a night at Esna. Meals for the day are Breakfast, Lunch, Afternoon tea, and Dinner.

Day 5

Leisure Cruise to Luxor West Bank and East Bank Tours

The 5th day begins with a good, wholesome breakfast, and then you will be visiting Luxor's West Bank to see three astonishing sites. Your tour today will begin with a visit to a vast ancient necropolis called the [Valley of the Kings](#). A huge number of tombs were constructed here over a period of 500 years, from the 16th century BC to the 11th century BC. Archaeologists have discovered more than 70 tombs in this area, all of which belonged to pharaohs and powerful nobles of the New Kingdom. The tombs range from basic pit-like structures to complex tombs containing as many as 120 chambers. Some of the most famous tombs in the area include the tombs of Ramesses II, Ramesses III, his father Setnakhte, and the boy king, Tutankhamun. Your next stop after this ancient burial ground will be at the remarkable rock-hewn mortuary [temple of Queen Hatshepsut](#), the 5th pharaoh of the 18th Dynasty. Dedicated to Amun, the sun god, the temple is considered to be one of Egypt's most prized ancient monuments, and it is fair to say that no trip through ancient Egypt would be complete without visiting this incredible site. Return to the ship and enjoy another excellent

lunch, but don't relax too much because there is more sightseeing to be done. After lunch, you will also enjoy the Temple of Hatshepsut and the Colossi of Memnon before returning to the ship for lunch. After lunch, you will once again disembark, this time to see Luxor Temple and [Karnak Temple](#). You and your group will then return to the Nile cruise in time for dinner, and tonight you will sleep on board the vessel at Luxor. Meals Included: Breakfast, Lunch, and Dinner.

Day 6

Back to Cairo

Free day for relaxing and unwinding. We will meet you when you disembark from your cruise, and we will take you to the airport where you will be boarding your flight to Cairo. After we meet you at the airport in Cairo and have you checked in at your luxury hotel, feel free to enjoy the rest of the day as you wish. Meals Included: Breakfast.

Day 7

Flight to Jordan

Our luxury Egypt and Jordan tour package is not only about sightseeing, so once you land at Amman in Jordan, we will be there to meet you and take you to your luxury hotel, and then the rest of this day is all yours. Meals Included: Breakfast.

Day 8

Ancient Roman City Tour and Dead Sea Experience

The 8th day of our Luxury Egypt and Jordan Tours once again begins with a hearty breakfast being served at your hotel, and at the agreed-upon time, you will again be picked up by your English-speaking driver, who will then take you to see Jerash, the incredibly impressive ruins

of an ancient Roman provincial city that attracts tens of thousands of visitors each year. After visiting this ancient Roman city, you will then be taken to the Dead Sea, which is famous for its incredibly high salt content and also for being the lowest dry area on earth. While at the Dead Sea, you will have some time to enjoy the benefits of its mineral-rich mud, and you will have the opportunity to float on top of the water. Don't be surprised if you see people casually reading books while floating on their backs. When evening time approaches, you will enjoy a nice relaxing drive back to your hotel in Amman, a journey that takes approximately 2.5 hours. On arrival at your hotel, you can either head out or explore the area on your own, or you can simply relax and unwind at the hotel. Meals Included: Breakfast.

Day 9

Lost City Tour at Petra

Hotel breakfast, and then get ready for a day you are never likely to forget—a day that will see you visiting Jordan's biggest and, without question, most famous attraction, the Rose Red City of Petra. At the agreed time, you will again be picked up from your hotel, and then you will be driven to [Petra](#), which is about a 2.5-hour drive. Petra, also often referred to as the Rose Red City, was established by the Arab Nabateans, a nomadic tribe, sometime during the 6th century BC. The Nabateans carved their new city into the rock of the Jordan Desert, and it was from here that they were able to establish a powerful commercial empire that would eventually reach all the way to Syria. On arrival at Petra, your first walk will lead you to the canyon, which is officially called the Siq, and you will pass between towering rock formations, some reaching more than 80 meters above you. Next, you will move on to see the most striking monument at the site, the Treasury. After some time exploring the Treasury, you will move on to see the Street of Facades, the Royal Tombs, and finally Pharaoh's Castle. With your amazing tour of Petra now complete, you can sit back and relax while you are being driven back to your luxury hotel in Amman, where you will be spending the last night of your unforgettable Egypt and Jordan luxury tour package. Meals Included: Breakfast.

Day 10

Our tour ends in Amman, so once you've enjoyed breakfast at your hotel, one of our consultants will meet you and escort you to Amman International Airport so you can board your departing flight back home.
