After you enjoy a delicious lunch at a premium restaurant, we'll be headed to explore [the Egyptian Museum](#), which houses over 120,000 artifacts from the pre-dynastic, Pharaonic, and Greco-Roman periods. It also holds two rooms.

The treasures room displays recovered artifacts from King Tutankhamun's tomb, while the Mummies Room houses real mummies in climate-controlled displays, which is a mind-blowing experience that traces back to thousands of years. Your last stop for the day will be at one of Cairo's most endearing and charismatic sites, the centuries-old [Khan El-Khalili Bazaar](#), where traders have been trading their wares ever since the 14th century. Egypt simply wouldn't be complete without having the opportunity to explore and shop at this site, where you can more or less buy anything and everything. After this visit, your guide and driver will once again transfer you back to your hotel, where you will be able to enjoy another good night's rest before your flight to Aswan in the morning.

Meals Included: Breakfast and lunch.
