Your first stop will be at Sakkara, where you'll encounter the Step Pyramid, recognized as the world's oldest major stone structure. Day 4

Cairo-Alexandria

Embark on a captivating private tour to Alexandria from Cairo, starting at 7:00 am with a pickup from your hotel by our expert Egyptologist. You'll

travel in comfort via a private air-conditioned vehicle to Alexandria, which is approximately 220 kilometers northwest of Cairo. Expected arrival in Alexandria around 10 am to start your exploration of this historically rich city. Your day in Alexandria begins with a visit to the Roman Catacombs of Kom el Shoqafa, a fascinating archaeological site believed to have been established in the 2nd century A.D. and utilized as a burial site for approximately 200 years. This period marked a significant era of cultural fusion in Alexandria, blending ancient Egyptian traditions with various other influences. Next, you'll encounter the imposing Pompey Pillar, a towering red granite column standing at 25 meters tall. Despite its name, the pillar is not directly linked to Pompey but is thought to have been erected in honor of Emperor Diocletian. Your tour continues to the Citadel of Sultan Qaitbay, a remarkable Islamic monument constructed in the 15th century by Mamluk Sultan Qaitbay. Built upon the ruins of the ancient lighthouse commissioned by Ptolemy II in the 3rd century B.C., the Citadel served as a defensive fortress against Crusader threats. Enjoy a delectable lunch at an authentic Egyptian restaurant in Alexandria before proceeding to visit the renowned New Library of Alexandria. Reestablished in October 2002, the library serves as a beacon of knowledge and culture. End your tour by checking into your hotel in Alexandria for an overnight stay, reflecting on the enriching experiences of the day. Siwa-Marsa Matrouh-Cairo

You'll begin your day with breakfast at the camp at 7:00 am before heading back to Siwa Oasis. Your first stop will be the Shali Fortress, a historic structure built on a hill within a protective wall. Constructed with salt chunks to strengthen its walls, rain has unfortunately caused more damage than human invaders over time. Next, you'll visit the Mountain of the Dead, located just over a kilometer north of Shali. Here, tombs dating back to the twenty-sixth Dynasty, Ptolemaic, and Roman periods are carved into the mountain's side. Among the notable tombs is Si Amun Tomb, showcasing exquisite paintings and artifacts. Afterwards, you'll be driven to Cairo, passing by Marsa Matrouh for lunch. many to have been frequented by Cleopatra herself. Finally, you'll arrive in Cairo around 8:00 pm, concluding your day.
