Itinerario

Día 1

Cairo to white Desert

Start your exceptional White Desert Egypt Tour from your hotel and embark on a safari journey to Bahariya Oasis and the White Desert in a 4x4 vehicle. You will travel by private, air-conditioned car. Upon reaching Bahariya Oasis, you will have the opportunity to explore the Valley of the Golden Mummies, as well as the Temple of Alexander the Great, besides the Tombs of the Nobles, who ruled the region during the 26th dynasty of Egypt's history. You will also get to see the temple of Ein Muftella, considered to be the city center in the Old City of Al Qasr, which means the palace. The local cuisine will be served for lunch at a fine restaurant. Then, we will proceed to the hotel for an afternoon at leisure. You can take a dip in the hot spring available at the hotel premises. Late afternoon we'll pick you up again to climb the Black Mountain by Land Cruiser in order to see the ruins, at the top of the mountain, "the English House," enjoying the panorama over the oasis during the sunset time. Overnight in Bahariya.

Enjoy a pleasant breakfast at your hotel, followed by a very interesting tour to Bahariya Oasis to see the big salt lake on the edge of the oasis, the outstanding golden sand dunes, and the tropical fruit gardens.

We will have lunch at this nice restaurant in Bahariya before resuming our journey to the White Desert, which administratively belongs to Farafra Oasis. Along the way, we will visit the Black Desert, distinctively marked with wide black formations and mountains bearing huge deposits of ancient volcanic rocks. We will also pass the Valley of El Haize, the southernmost village of Bahariya; you can swim in the hot spring if you like. Then we will take you to the Crystal Mountains area, where you will see the quartz crystals, before taking you to the breathtaking Valley of Agabat, where sandboarding will also be one of your most important activities.
